Aiming
HIGH!

ONE+all

Helping to change the world with schoolwear.

We make schoolwear, really good schoolwear.

But the best thing about it is how it's made and the difference that can make. Like the kids who wear it, we look at the world differently. And we see opportunities to do good for everyone.

At every step of our products' journeys, we aim to do the right thing - for our team, our partners, the planet, and for you.

We're proud to be 100% employee owned and a Certified B Corporation. Every colleague wants us to improve, and we're working together to be the best business we can be.

Because we believe we can help change the world with schoolwear.

We offer a product range suitable for businesses, clubs and schools under The Making Of brand. It's perfect for our existing schoolwear customers and a wider audience too. This season, we've added The Hi-Vis Book Bag to this range. Find out more on pages 75-76.

One+All schoolwear and the story behind it hasn't changed.

And neither has our commitment to you, our customers. In everything we do, our strategy is to support our retail customers and help them grow their businesses. The purpose of our direct business is to focus on areas where there is no One+All customer to supply schools.

Our commitment to our colleagues, the people who make our products and protecting the planet hasn't changed either.

So hands up, who wants schoolwear with a difference?

A FUTURE WORTH GROWING INTO

We want to do business the right way.

We want to do business the right way.

We're a Certified B Corp. We're about much more than just making a profit, so we do things that benefit people and the planet.

As our products are worn by the next generation, we believe it's only right to deal with the Climate Emergency head on.

We use polyester that's made from recycled plastic bottles in our schoolwear, generate energy from our photovoltaic solar system, recycle 80% of our waste, and drive electric cars.

Zoom, click, buzz!

Our Carbon Literacy programme helps colleagues to reduce their footprints and save money, too.

That's got to be worthy of a gold star.

But without our amazing colleagues and overseas suppliers, we couldn't offer the products you love. Whether it's fair pay, providing clean drinking water, combating period poverty or auditing our factories, we make sure those employed in our supply chain are safe and well-rewarded for the work they do.

Our garments include QR codes, so everyone can find out more about who made their schoolwear. Being transparent is really important and we've got nothing to hide.

We're 100% employee-owned, so every colleague is directly responsible for giving you the best service. We're a business connected by our purpose, where everyone can be themselves and do great work.

We care for our people. We're an accredited Living Wage and Living Hours employer with colleague benefits that put financial, physical and mental wellbeing top of the list. We "high five" and say "thanks" a lot, too. Being part of One+All is special, even if we say so ourselves.

It's a good start, but it's only the beginning. We want to do better, but it's much bigger than just us.

Because what goes into our schoolwear really can make a difference.

So come on, let's start putting this place straight. Together.

Our B Corp
score is
136

IT AIN'T WHAT
YOU DO...

...It's the way that you do it.

We believe in getting on with doing stuff that's important. Walking the walk. Making changes that help others. Learning from our mistakes.

The best way to improve is learning from smart people and organisations who can share their knowledge with us.

Here are the trusted experts helping us to be better.

Certified B Corporation

Certified B Corporations are businesses that balance prosperity with people and the planet. We became a Certified B Corp in August 2020, because we want to be a force for good.

Ethical Trading Initiative

A full member of the Ethical Trading Initiative, we've adopted the ETI Base Code to drive improvements for the people who make our garments overseas. We're also helping all our overseas suppliers to adopt the ETI Base Code.

Living Wage

We've been an accredited Living Wage employer since 2018. We're committed to everyone who works for us, including contractors, benefiting from fair rates of pay to meet the rising cost of living.

GM Good Employment Charter

We're one of the first six members of the Greater Manchester Good Employment Charter, which aims to help deliver better employment standards, good jobs and a thriving local economy.

Living Hours

We became an accredited Living Hours employer in 2022. Our colleagues benefit from decent notice of shifts, a contract that reflects the hours they work, and a guaranteed minimum of 16 hours work per week.

Employee Owned

We became employee owned in 2015. Employee ownership means we control our own destiny, share the rewards of our success fairly and are united behind our common purpose and mission.

Better Cotton

One+All partners with Better Cotton to improve cotton farming globally. Better Cotton is sourced via a chain of custody model called mass balance. This means that Better Cotton is not physically traceable to end products.

THE COMPANY WE KEEP

It's our job to help you provide a great uniform to your schools. Making this happen depends on our overseas manufacturers.

We don't own the factories that make our garments. Instead, we nurture long-term relationships with a small number of overseas partners who share our values and care about their workers.

In fact, we've worked with two partners for over 20 years.

Some partners make garments exclusively for One+All, while others manufacture for us and no other schoolwear suppliers.

We directly employ colleagues based in the factories making our garments, to work in close partnership with their team.

All in all, our approach makes them our partners in the truest sense.

Thanks to these important ties, we know a lot about how our schoolwear is made. The quality of our products is very important to us, but our expectations go way beyond this.

We want children to feel good in our clothes, so we make sure they're safe to wear, ethically made and tough enough to withstand daily school life.

Which includes being used as goalposts.

We like to give others a step up. So we help our supplier partners to improve and grow their businesses, too

The sort of things we do include gifting water filters to the people who make our garments in Bangladesh, so they have clean drinking water at home. We make sure all the factories are safe working environments. And we've helped the workers to have more say at work, too.

Better business for them.

Better working environments for their workers.

Better schoolwear for you.

Working with Ethical Trading Initiative (ETI)

We've been a member of ETI since 2017.

We were the first company in the schoolwear market to become an ETI member. We're pleased that like-minded customers and some competitors have become ETI members too.

In 2023, we became an early participant in the Employment Insurance Scheme (EIS) Pilot in Bangladesh. This social insurance scheme provides a financial benefit to garment workers and their families, in cases of work-related death and permanent disability. Our contributions ensure the workers in our factories in Bangladesh are protected.

We've begun work on Gender Data Indicators. This is a first step towards understanding the challenges that gender gaps can bring in workers' rights, pay and treatment in our supply chain.

In 2023, ETI advocated for collective efforts to reduce Gender-Based Violence and Harassment (GBVH) in global supply chains, particularly in apparel and textiles where 80% of the workforce is female.

This initiative encourages businesses to implement Gender-Responsive Human Rights Due Diligence to reduce GBVH. Taking part in this initiative enhances our work on Gender Data Indicators, by working collaboratively with ETI members and learning from the outcomes shared.

Through our close partnerships with our suppliers, we'll gain a better understanding of GBVH, so we can continue to improve the lives of everyone in our supply chain.

“ One+All's success in improving the health and wellbeing of its workers shows how much companies can achieve by committing to work directly with suppliers, giving workers a voice, and prioritising long-term, sustainable relationships over short-term profits. ”

Ethical Trading Initiative

BEING KIND, DOING GOOD

Shaping a more caring, sustainable way of doing business.

Good causes

We make a difference in our communities.

Our colleagues nominated Young Lives Versus Cancer and Phulki as our two main charities to support. Through their commitment to fundraising, we've donated to Macmillan Cancer Care, Children in Need, Comic Relief and Kiera's Kingdom, and donated Christmas toys and Easter eggs to Roughley's Toy Run, Stockport. We also sponsor children based overseas in the countries where our products are made to receive an education.

Customer Satisfaction

Getting it right for you is important.

We offer extra annual leave to colleagues in return for high customer satisfaction scores. We have over 600 customers and our Net Promoter Score is +95, which is world-class. As a result, we gave every colleague 5 extra days of annual leave in 2025.

Colleague Satisfaction

We want our colleagues to be happy.

We conduct a confidential colleague satisfaction survey twice a year. We have 97% colleague satisfaction, with everyone saying they're proud to work at One+All.

Interest-Free Loans

No colleague should borrow from a payday lender.

Many people would struggle with an unexpected bill of £500. We offer interest-free crisis loans to colleagues in need, provide budgeting advice and a money management programme.

People's Voice

Everyone has a say.

Our People's Voice group represents each department. With two colleague-elected trustees to represent our colleagues' views, ideas and concerns, we're working together to improve everything for our customers and each other.

Doing THE RIGHT ~THING~

At One+All, we want to leave things a little bit better than we find them. We try to work in a more enlightened way, taking responsibility for our impact on society, the people we work with and the environment.

It's something we've been working on for a while.

From the fabrics we use and making sure our schoolwear is safe, to happy overseas workers and knowing the nitty-gritty about our supply chain, to building a workplace where everyone can bring their best game and be themselves.

We've set high standards for ourselves. As a B Corp, our social and environmental performance is verified every three years. We share the results of our actions in our Impact Report, which can be downloaded from our website.

We listen. We say "sorry" if we get it wrong and take steps to improve everything we do. We challenge ourselves. We dream big. We create solutions that make life better for everyone.

All these small actions add up to a big difference.

And the difference is the story behind every One+All and The Making Of product.

Sustainability

ICONS

These icons appear on our product pages, so you can learn more about the sustainability story behind the things we make.

Recycled Fabric

Some of our schoolwear is made with recycled fabric, including our blazers, jackets and ties. We're always looking for ways to reduce our impact on Planet Earth.

Quality Assured

Our garments go through a tough testing process to make sure they're free from harmful substances, and comply with mechanical safety standards for children's clothing. Peace of mind for you and everyone who wears them.

Colleagues On-Site

You need dedicated, skilled people to check manufacturing, quality and ethical standards are met. The best way to do this is to have directly employed colleagues working on-site in the factories. So we do.

Checked For Child Labour

No child should have to go to work. We check every supplier factory to avoid children being involved in making our garments. We use Sedex audits as our auditing standard.

Checked For Modern Day Slavery

No one should be forced to work against their will. We check every supplier to avoid modern day slavery in the factories that make our products. We use Sedex audits as our auditing standard.

The Cotton Pledge

We don't use cotton sourced from Turkmenistan, Uzbekistan and Uyghur region. In those countries, cotton is harvested using forced labour including children, which we want no part of. We've backed up our commitment by signing The Cotton Pledge.

Clean Water At Home

We give free water filter systems to our workers, protecting them and their families from illness due to drinking contaminated water.

Period Poverty

To combat period poverty, we provide free sanitary products to female workers in Bangladesh who make our garments. We've delivered Sexual Health Care and Reproductive Rights training to all workers in the same factory too.

Supply Chain Mapped

We've fully mapped our overseas suppliers, those who supply them and beyond. We share full details of our supply chain publicly too. Because we've got nothing to hide.

Sedex

We conduct SMETA audits (Sedex Members Ethical Trade Audit) to assess our factories' standards of labour, health and safety, environment and ethics

EMBROIDERY

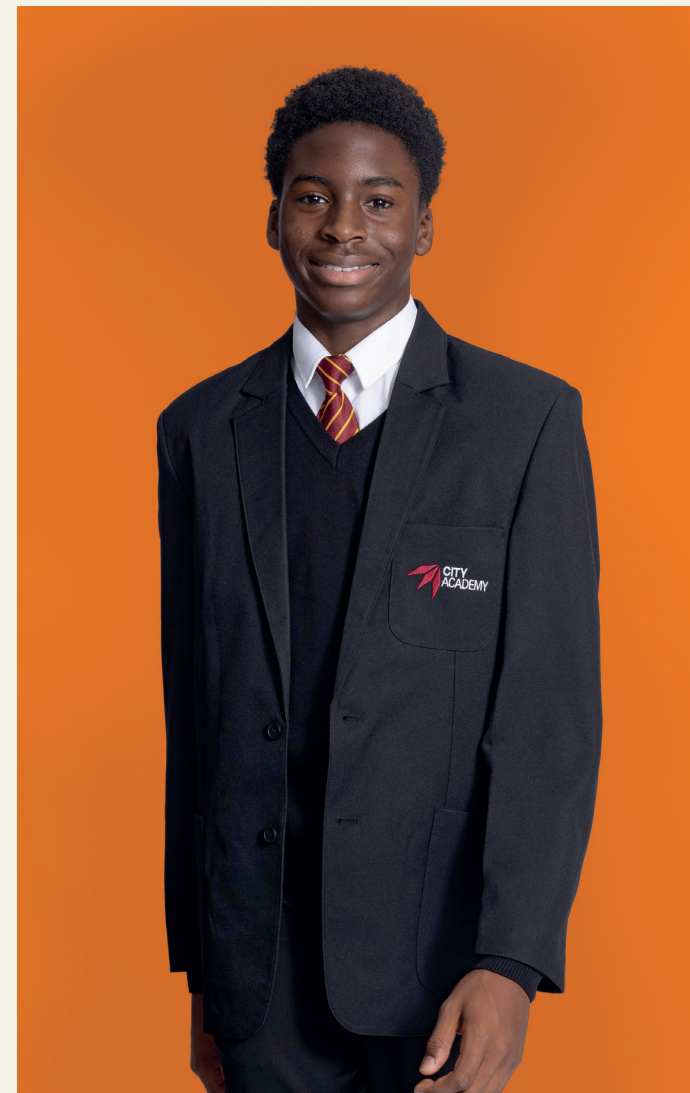

In Just 2 Days!

When it comes to personalising schoolwear, we're experts.

We know it's really important to you that we deliver a fast embroidery service all year round. Which is why we embroider in the UK and at each of our factories.

For day-to-day orders, we offer a two working day embroidery service you can rely on for your approved designs.

Alternatively, you can take advantage of our pre-book embroidery offers to plan ahead for the busiest times of the year.

STOCKED SPECIALS

We hold stock of a wide range of special striped designs across our popular Performa 50 and Courtelle knitwear brands.

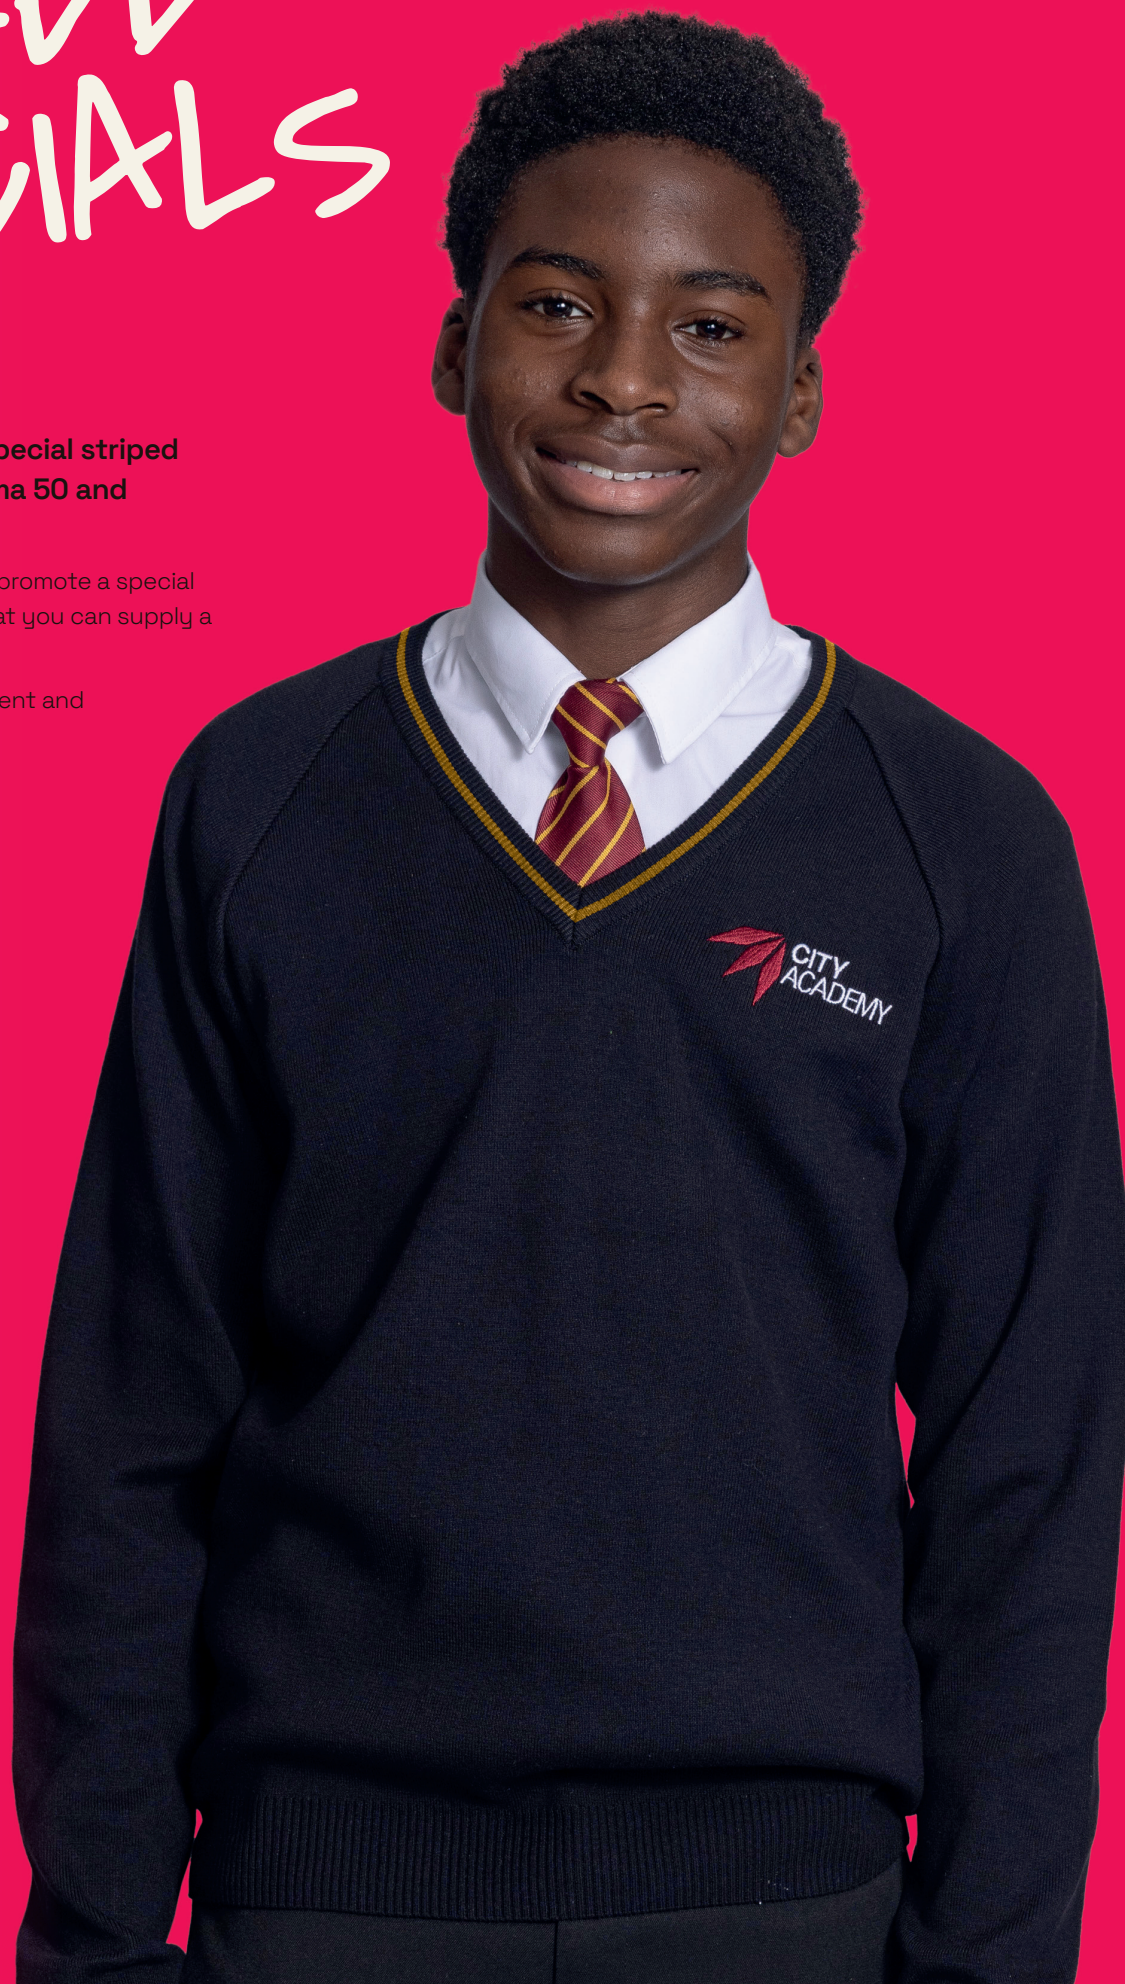

Our stocked special range means you can promote a special striped garment, safe in the knowledge that you can supply a sample the next day.

No waiting for samples, faster order fulfilment and a better service to schools and parents.

With no minimum order requirements, you can order 1 or 100 garments from the stocked special range and receive them the next working day.

We hold strong stocks all year round, so you can don't need to, acting as your outsourced warehouse for special striped knitwear.

This reduces your financial outlay and helps in a practical way, as we know many customers don't have the space to hold a large amount of stock, particularly during Back To School.

MADE-TO-ORDER

Special Knitwear

We want every child to have the chance to feel good as they fulfil their potential.

A great uniform is a good place to start. If your school needs a personalised uniform, we can help.

We're experts in providing made-to-order knitwear for your schools.

One+All Courtelle, Performa Cotton and Performa 50 knitwear can be manufactured in made-to-order colours. We can also add bespoke striping to the v-neck, cuffs and welts of all our knitwear garments.

Schools can specify the colour, which can be an existing stock colour or a made-to-order colour, the position, width and number of stripes to be added to a stock colour garment, or a made-to-order colour knitwear garment.

So when it comes to offering something really bespoke, the options with One+All made-to-order knitwear are endless!

All that we require is a minimum order of 12 pieces for made-to-order knitwear.

**ECONOMY

SUSTAINABLE CLOTHING **READY** **TO CHANGE** **YOUR WORLD**

We make sustainable clothing. With a big difference.

We've introduced products that complement our One+All schoolwear range under our sister brand, The Making Of. All the most important things about One+All are right behind these products.

Made by the same people.

Made with the same ethics.

Made with the same commitment to high quality.

And with the same B Corp accreditation too.

We put love, care and attention into everything we do and make because we believe it's the right thing to do.

Nothing should come as standard. It should come as the best version of itself. Because if you're going to make something, make it well, really well.

We believe in pushing possibilities as far as possible.

Making everything better, better, better.

Making sustainability central to everything.

Making pay fair.

Making standards higher.

Making workers' rights secure.

Making communities better for everyone who lives, works and plays in them.

Making a positive impact on the environment.

Making inclusivity a cornerstone of our company.

Making sure we do the right thing, so you can do your thing.

All these things make a difference.

All these things make us different.

We are The Making Of.

We're on YOUR TEAM

We do our homework because we want to improve our service to you.

But it's not all on one team.

We've got some superheroes on the frontline. Ready and waiting to help you with bated breath. Or even if you just fancy a chinwag. So when it comes to getting in touch, we want to make life easy for you.

Customer Care Team

You know who they are. More importantly, they know who you are. And our Customer Care team wants to help.

Call them for advice on orders, stock availability, made-to-order specials, embroidery, printing and samples. They know their stuff, so can help you place your orders and resolve queries fast. If they don't have an answer, they know someone who does.

Ordering Plain Stock

Need plain schoolwear in a hurry? No problem.

Order by 5.00pm and your plain garments are delivered the next working day. No minimum orders, no fuss - just great service when you need it.

Made-to-Order Specials

Do you need bespoke stripes, colours and personalisation? Approve your requirements and you can have your made-to-order special garments within a 4-6 week delivery timeframe.

Order Online

If you're really busy and need to place your orders fast, our online ordering platform could be just the right fit. You can order plain, embroidered and made-to-order specials at my.oneandall.co.uk

As well as ordering online, you can also track your full order history and see your pricing information too. If you've not yet received an invitation to online ordering, **call us on 0161 477 7791** and we'll get you set up.

Embroidery

If your design is already approved, place your order and have your garment embroidered and despatched in just 2 working days. If you prefer to plan ahead, take advantage of our pre-book offers and take delivery when it suits you best.

Printing

For approved print designs, place your order and have your garment printed and despatched in just 2 working days.

For approved embroidery and print designs, place your order and have your garment embroidered and printed in just 5 working days.

Pre-Book Order Deals

Nothing in life is guaranteed. Other than our pre-book order deals.

Offering an assured delivery date by which you'll receive your order, pre-book deals take the stress out of the Back To School season. Talk to your Customer Relationship Specialist for more details of our pre-book order deals.

Minimums

We can manufacture specials with a low minimum order quantity of 12 garments per style (3 per size), making it handy for your top-up orders. This service incurs a small surcharge - please ask us for details.

Customer Relationship Team

Our Customer Relationship team are experts in schoolwear.

They want to help you deliver a great service to your schools, so you can be even more successful. Because it's all about you and your business.

TELL US STRAIGHT

We get a real buzz when we get it right for you. And we're positively out of the ballpark if we exceed your expectations. So we love to know when we've made a difference for you.

But there are times when we might not hit the mark.

We can only get better with your help. So please be frank. We promise to listen and take notes. And we'll tell you how we're going to change things so we keep getting a little bit better.

Good, bad and downright ugly. We really want to know.

The best way to give us your feedback is to call us on 0161 477 7791. If you prefer, send an email to theteam@oneandall.co.uk

Thank you.
